

ST 51 Trolley/Stand

ST 51 was developed for easy mounting and quick setup of any display measuring from 42" to 98". Maximum load capacity is 130 kg. When needed four castors (two with brake) enable simple and effortless mobility of the whole unit. Light tubular construction ensures optimal stability. Mounting kit is included. Laptop shelf and Camera holder must be purchased separately. ST 51 is available in anthracite colour.
