# Multifunctional trolleys

When ordinary trolleys can't meet your demands it is time to use multifunctional trolleys. You can find three models in our range.

### **AV 1270**

- High load capacity
- Steplessly adjustable height
- Additional lower shelf equiped with triple socket
- Laptop pull-out shelf
- Equiped with Microsaver connection used to keep the table on its position
- Four wheels (two with brake)
